

Export Quality Import Trust

ABOUT US

India holds a strong position in Global Agriculture, supported by its Farmers, Cooperatives, and Agro-based industries. Globriddge International Private Limited was established with the Vision of strengthening India's export presence by connecting quality Agricultural products with International markets.

We specialize in the export of agricultural commodities including Sugar, Spices, Tea, Coffee, and related products, contributing to India's growing Global trade footprint and supporting the Nation's export-driven Economic development.

Quality, Traceability, and Compliance remain central to our operations. We source from verified origins and ensure products meet International standards through Laboratory testing, Quality management systems, and Responsible sourcing practices.

Aligned with India's Agricultural and Export Promotion Initiatives, we actively support Farmers, Mills, and Suppliers by assisting with Export Documentation, Compliance Requirements, and International Trade procedures helping Rural producers participate more effectively in Global markets.

Globriddge International Private Limited benefits from Directorial and Trading associations with Ashti Sugar Limited, Sitaram Maharaj Sakhar Karkhana (Khardi) Ltd., and Kalunge Industries and Agro LLP, strengthening our presence across Sugar and Allied Agro-Industrial value chains with a dependable export supply base.
